## From the committee

Hi Lovely Families

The term is whizzing by and we are already half way through. I really don't want summer to end. Its been so lovely to see our Boodabee class settle in so well. The older children are definitely helping with this process, and lessons where the Gooyarnj class have an opportunity to work with them have made the transition that little bit easier.

We have secured a site with the Tuntable Preschool at The Mardi Gras. We need to promote our school and raise some much needed funds. This is a perfect opportunity. Who is interested in getting involved or being on a sub committee? *Many hands make light work*. We are focusing on having a second hand clothing stall and something simple like soup or chai and cakes.

Just a reminder that the office is not attended on Wednesdays. Committee and staff will check before the end of the day but please allow extra time to reach us on those days or hear from us.

For Tuntable community members if you have levy hours that need to be completed by the end of the month, the school would love your support. We have some grounds work that could definitely be done 😊 Please see Nat if you would like to help out and reduce your hours. Please contact a committee member if you have any ideas or concerns.

Have a lovely fortnight,  
Nicole

## School calendar

**Term 1 Ends Friday  
5<sup>th</sup> April**

**Term 2 Starts  
Monday 29<sup>th</sup> April**

**Library Open Monday  
Afternoons till 4pm  
See Nicola**
