

How to pay

By enrolling your child in our school, you enter into a contract committing to pay any fees incurred. Ideally families pay for each term up front, however if this is not possible, we ask that you set up a regular direct debit to ensure that fees are paid in full by the end of term.

To cover the base fees (excluding lunches and excursions), we recommend setting up a **direct debit** of $\pm \$170$ /month for first child, and $\pm \$52$ /month for second child. If families participate in all Roster Days and Family Workdays this is reduced to $\pm \$78$ /month for first child, and $\pm \$52$ /month for second child.

Our bank account details:

Summerland Credit Union BSB 728-728 Account 22201729 Pay ID info@tunablefallsschool.nsw.edu.au

*When making a payment to the bank, please be sure to put **your child's name and 'fees'** in the description so the payment can be correctly attributed.*

Fees and other costs

There are various fees per family and per child which are charged once, annually and per term. In addition, we offer optional lunches and excursions. The following explains how we calculate fees but to find out exactly how much you owe, refer to your invoice or speak to the Treasurer.

One-time fees	\$33	Membership (per family) As an incorporated association, we are required to charge a membership fee. Each family is required to pay this fee upon first enrolment. The family remains a member while their child attends the school. <i>* Invoiced once after enrolment.</i>
